**July 2007 Report**

Esteemed brethren,

It is not only a duty, but a privilege to inform you of my work through this means even if the information is repetitious and brief. Thanks for taking the time to read my report.

### **LANGWOOD - HOUSTON**

I continue to teach the adult class on *An Introduction of the Old Testament* with the faithful help of Javier Leal, David Acosta and Ricardo Cuellar. These good men make it possible for me to assist other churches. We are in the section of the Major Prophets, without a doubt a very challenging section of the Old Testament.

July was not a very good month as far as our attendance was concerned. We had 11 visitors. Then several of our number chose the month of July for their vacation time.

Dorinda (our youngest daughter) and James Tuggle had their first child July 19<sup>th</sup>. *James Stevenson Tuggle IV* was born nearly two months premature. He is doing great and will remain in the hospital for some weeks as he is prepared to make the grand entrance into our world. Dorinda is home and doing great. That makes four grand boys for Minnie and me.

### **COMING PREACHING TRIPS**

I will return to Ecuador this month of August where I visited back in March. I am looking forward to visiting with brethren in Quito and surrounding communities and cities; and to the opportunity of encouraging them in their service to the Lord.

In the month of October I will return to Cuba, with the very same purpose. Also, to deliver funds to the needy saints (from the Province of Guantanamo) hospitalized in Havana.

### **INFORMING THE WORK I DO**

At the request of the elders at Robison Street in Edna, Texas, I presented a report on my work and preached a lesson on Sunday, July 22<sup>nd</sup>. Then I did likewise with the church in Centerville, Texas, on Sunday, July 29<sup>th</sup>. Thanks to both churches for wanting to know firsthand of my work.

### **THANKS**

Thanks for your confidence and support. God will surely repay all the good you do locally and in the foreign fields. Remember us in your prayers.

Sincerely,

Ruben C. Amador
