What a blessing it is my brothers to be alive and to be able to communicate with you again. We give thanks and glory to God for life. It is our desire that all of you have been blessed physically and spiritually by the Savior. Following are my notes for the month.

**SOULS SAVED IN MATURIN** On Wednesday the 8<sup>th</sup> at 6:30 pm Mireya (Mother), Zanira (daughter) and Gabriela (granddaughter) were saved for the remission of their sins. These conversions were the fruit of our “in the street” labors using studies that we offer on our radio program. The members study with those who request it and I reinforce them. In this case, the study was begun by Bro. Luis Gonzalez. Since their baptisms we have begun a class on Mondays at 4 pm with these new sisters. We give glory to God for their salvation.

**NEW STUDENTS** New people have begun studies with Bro. Rafael Farias. We pray that this seed will fall on good ground that produces salvation.

**RADIO** This month we transmitted program #155. We thank God for this means of spreading the urgent message of salvation in Christ Jesus.

**SAD DEATH** On Tuesday the 21<sup>st</sup> in Maturin we had the funeral of an elderly lady named Teresa. She died the night before at Maturin General Hospital from self inflicted burns. To our surprise she had been baptized and was a member of a church in the central area of our country. Awhile back we received information about her relocation to this area, however it was incorrect and our attempts to contact her failed. Bro. Gustavo Moreno told us that she was the blood sister of Orlando Churon who worships in Valencia, Carabobo. They came for the funeral and asked me to present a message and pray. We are saddened by this tragedy.

**SHARING IN THE CITY OF GUAYANA** On Saturday the 4<sup>th</sup>, twelve of us went from Maturin to Guayana, Port Ordaz, state of Bolivar to a park to meet with brethren from there and from Caracas. Their preacher, Carmelo Fricano, had invited us to eat,

study, sing, pray and enjoy the outdoors. We climbed a nearby mountain together. We had a great time.

**HEALTHY BROTHER** We received great news about our Bro. Agriberto Estevez Nino who had surgery to remove kidney stones and other associated problems. It was a difficult situation, but he is better. His recuperation has been slow, but he is home now in the loving care of his wife Chela, who is a nurse. We thank God for responding to our prayers.

**PERSONAL** My passport...After three years of requesting a new passport through the correct authorities ( a document I very much need to be able to preach outside the country), I received it finally on the 22<sup>nd</sup>.

**FINAL WORDS** As always, we express our sincere gratitude to God, and also to you our brothers for praying and for participating in this work to glorify God and save souls. May God bless you richly.

In Christian love,  
Antonio and family
