Dear Brother,

Greetings to you, elders,deacons and all the members in the church.I have recieved my support for this month. Thankyou so much for your financial and spiritual support. I am enclosing the report which i sent to Bro Harrell.

K. Prasad (preacher) Battanavilli, church of Christ

Ammallapuram E.Godavari district arranged Bible classes and gospel meetings from 18th to 20th of this month. He invited us to teach in these days. Christ das, Samson, Johnson and myself thought in these classes. Brethren did a good job in teaching some of the basic lessons from the Bible. The local congregation has taken much advantage of these classes. Around 27 members attended for the daytime classes. We had an opportunity to preach the gospel. On Sunday the attendance was much when compared to previous Sundays. The subject was temple of God. We pray God may give increase in this work. Prasad did very good job by arranging these classes. this was a good impact among the denominations. They had an opportunity to hear the full Gospel. Thank you for your prayers.

Yous sincerely,
Y.Surender
